

# How to use these 3 PDF guides

## FOR ACCOUNTANTS

**“Ensuring success in your client migrations”** gives you best-practice tips and advice from accountants on how to approach migration with your client.

**“A tactical guide to migration for accountants”** provides detailed process steps from accountants who know how to ensure successful migrations.

## FOR CLIENTS WHO WILL BE MIGRATING

### **“Moving to QuickBooks Online”**

After deciding to move forward on migration with your client, you’ll give them this co-brandable PDF to help them understand what to expect. It includes blank spaces to add your firm’s logo on the top right corner and a note from you on the back.
